Agenda	Discussion	Votes	Action Items
Call to Order	Meeting called to order at 4:00 PM with quorum present.		
Approval of Previous Minutes – August 12, 2025	August meeting minutes pending approval at next meeting.		
Garage Repair and Maintenance Updates	Tara provided an update on the garage repair, noting that the work was completed and drywall repair scheduled for the following day. Sally agreed to send Tara the necessary information to cancel and set up a new service to avoid double billing.		Sally to send Tara number for service to be canceled.
Budget and Reserve Study Review	Tara discussed progress on the 2026 draft budget, which she plans to finalize for board review and approval by the November 10th meeting. The new reserve study total is \$53,045. Sally noted that the study accurately reflected completed painting and carpeting work, though some wording may need updates. The board approved the 2026 Reserve Study, which reports 54% funding.	Approved Reserve Study with no objections.	Tara to finalize the 2026 draft budget and send to the board for review before November 10th. Brian to follow up with Jim regarding Reserve Study documentation.

Window Maintenance and Cleaning	Brian reported that the board will seek a bonded and insured professional service capable of using the existing roof anchors. He will meet with a window cleaning company next week to discuss options and pricing. The board allocated \$10,000 in next year's budget for window maintenance.		Brian to meet with window cleaning company to review roof anchor setup and cleaning options.
Fire Alarm Monitoring and Building Systems	The board reviewed ongoing maintenance issues including alarm monitoring and lighting on the adjacent building. They confirmed the transition from Action Systems to Point Monitor is underway. Brian noted some light fixtures on the opposing building are out and offered to check whether bulb replacements would resolve the issue. Tara raised a concern about a duplicate Wyatt Fire invoice for compressor replacement, which she will verify before payment. Approved transition to Point Monitor.	Approved with no objections.	Tara to continue coordination with Point Monitor and confirm the Wyatt Fire invoice status before payment. Brian to check if exterior lights on opposing building work after bulb replacement. Sally to send Tara the number for the monitoring service to be canceled.
Facility Maintenance and Roof Repairs	Brian reported that owl deterrents had been installed to reduce pigeon droppings but need to be repositioned for better effectiveness. Brian to adjust owl deterrent placement.		
AppFolio Notifications and Manager Reports	The team discussed an issue with AppFolio's move-in/move-out notifications, which lacked unit numbers and floor details. Tara will		Tara to investigate AppFolio notification issue and include unit

	investigate whether it was a system glitch and ensure future communications include full details. Sally suggested that unit numbers be included in rental notifications to ensure compliance. Tara agreed and will also include unit rental information in future manager reports to the board.		rental data in future reports.
Safety and Park Concerns	Amy raised concerns about increased activity and safety issues in the park due to a new business and greater public use. The board agreed that individual residents are free to share safety concerns but that the board itself would not take an official position.		Amy to leave a note for Nora regarding park safety concerns.
Insurance Coverage Discussion	The board briefly discussed building insurance coverage and potential adjustments to ensure adequate protection for the association and management company. No action taken.		
Next Meeting Date	The next HOA meeting is scheduled for Monday, November 10, 2025 at 5:00 PM to review and approve the 2026 budget. Tara will provide the Zoom link in advance.		Tara to send Zoom link for November 10th meeting.
Adjournment	Meeting adjourned at 5:00 PM.
