2026 Reserve Study Previously approved at the September meeting.		
Annual Meeting Annual Meeting scheduled for: Tuesday, January 20, 2026 at 6:00 PM		Tara: distribute notices and schedule the small board meeting to follow.
Housekeeping / General Maintenance Graffiti has been cleaned. New building signs will be hung at Bluestone's next visit. Zack will paint prior to sign installation. No ARC requests submitted.		
Window Cleaning Proposal Brian obtained a bid of \$8,500 for washing all windows, including removing and reinstalling screens on the 4th & 6th floors. Brian will confirm with Snugs whether 2nd and 3rd floor windows are included. The board prefers Snugs due to proper equipment and high-rise certification. Window cleaning will be scheduled for April 2026.		Brian: Confirm screen removal coverage and finalize scheduling with Snugs. Brian: Notify Tara of any owner communications needed.
Fire Alarm Systems / Monitoring PSI conducted alarm testing on 10/28 with Centric onsite; a malfunctioning heat detector was reported by the fire marshal. Tara requested PSI's full report and repair proposal. Brian questioned whether they should repair this given the planned full fire system upgrade in early 2026. Board requested a refreshed proposal from Point Monitor / Ben for the new system.		Tara: Send the fire marshal's report to Point Monitor and ask whether the heat detector repair is necessary if a full upgrade proceeds. Brian: Obtain updated fire system upgrade proposal from Point Monitor/Ben.

		Tara: Coordinate access needs with Shir during project planning.
Centric / Elevator Systems Centric continues quarterly service; no new issues reported beyond compressor investigations. Board wants to assess long-term electronics obsolescence.		Brian & Tara: Set meeting with Centric to review elevator electronics.
Compressor & Electrical Issues Wyatt Fire and Jarmer Electric have been on site several times attempting to diagnose the repeated compressor failures. Sally will test voltage next time there's a compressor outage.		Tara: Continue coordination with Wyatt and Jarmer and provide board updates. Sally: Use volt reader during next failure incident.
Roofing Update Rain City quoted \$4,500 to repair bird-damaged roof areas. Brian will instead patch the roof himself using goop and paint. Additional bird deterrents (shiny ribbon / moving owls) will be installed.		Brian: Patch bird-pecked areas; install deterrents. Sally: Send Brian photo of coating issue; coordinate touch-ups.
Security Services Echelon security services have resumed regular reporting; daily patrol logs are being received.		CW: Forward Amy Adams's Old Town tent-removal/ budget notice to Tara.
